Vigilantism Vs Vigil

(Forewarned is forearmed)

Through narratives portraying people's ways either through story-tellers or chroniclers, we learn that territories ruled by kings and their sundry counterparts (*paalegars*) in days gone-by used to be guarded zealously against marauders, hungry for acquiring wealth by resorting to forced occupation of land, looting, vandalising and, of course, causing loss of life and limbs of citizens. The fail-safe system of alerting people about the impending assault from outside was to post guards 24x7 at strategic spots with the responsibility of blowing the trumpet (*kahale*), keeping heightened vigil from dusk-to-dawn through night, with orders for the citizens and warriors to be on their toes and stall the entry of aliens into their territory. Thus was born the idiom *Forewarned is Forearmed.* Even as the global scenario of armed forces of various countries including India are engaged in hi-tech wars, and ironically enough various States of the country are warring with their eye on more land, the idiom serves every citizen on a different plane. We are talking of the relentless calls for vigil against many threats to life itself. To make it clear, we are talking of components of food as well as the hardware of the kitchen, many of these components being toxic and *invisible*.

In the wake of governments promulgating orders ostensibly to achieve a makeover in conventional practices of people at large, such as banning cow slaughter by the incumbent government, certain sections in the land's population are up in arms by defiance of the law, resulting in *vigilantism* involving certain degrees of violence, as reported in the media. But, keeping vigil over toxic foods and kitchenware is a different kettle of fish.

The set of desires being chased by people of different generations should make an interesting subject of study. For the present generation that set opens out as *a)* Comfort of various push-button facilities at home, *b)* Mitigation of drudgery in the kitchen, *c)* Lapping up novel fashions in attiring, *d)* Acquiring newer models of you-name-it-they-must-have-it cars, mobile phones, electronic gadgets, packaged foods as well as any and every consumer durables, unfazed by their soaring price tags. One cannot exactly infer whether technology is driving the above mentioned set of desires or the other way about. In either case, the pace of technology advancing by the day and the mad rush of the gullible consumer to lay hands on everything figuring in daily life being offered by technology, the *importance* of keeping vigil on the lurking danger of the *products-of-luxury-yesterday-and-necessity-today* has been lost sight of by the present generation.

The foregoing rather longish preamble to the debate on issues of safety and threats to health of people bears relevance to a four-column headline for a report early this week in a widely read daily reading: *"Watch out: Your delicate crockery could contain high amounts of lead."* The discovery originates to the National Referral Centre for Lead Projects, Bengaluru. The idiom in the caption says it all.

EDITOR'S BOTTOMLINE

Priyanka Chopra has some nerve. So what did she do? Well, last week she wore a dress that showed her knees to a meeting with the PM! Who does that? Who behaves in such a disrespectful and distasteful manner? A modern woman. The reason I say this is because independence and self-sufficiency are like the plague when put in the hands of the wrong gender. Women are meant to stay covered and quiet. Not like in Saudi Arabia of course. As if to add insult to injury, Priyanka not only showed her knees but half way through the conversation with the PM had the guts to cross her legs! Some guy called Gulzar Hussain spoke my mind when he said that girls should only cross their legs when in the presence of their boyfriends. As a *seedhi-saadhi desi* lady I prefer the sari, a costume I have found that if draped correctly will show off my full stomach, back as well as the size, shape and circumference of both breasts. *— Radhika Vaz in The Times of India.*

Free banquet for people with gold hair

Kuala Lumpur: Zhang Jian, the controversial owner of a multi-level marketing company and self-proclaimed "future richest man in the world" recently made headlines in Asia for throwing a lavish banquet in Malaysia. Jian offered to let those sporting "the right look" eat for free. Over 1,000 people showed up with their hair dyed gold. On June 4, Chai Leng Park in Butterworth, Penang, looked like the scene of a blondies convention. Over 1,000 people, both men and women, dyed their hair gold just to be able to attend Zhang Jian's epic banquet for free. The Chinese businessman had also announced that a lucky few who sported the right look for the event stood to win a 1,000 ringgit cash prize. Apparently people came to Chai Leng Park from all over, some in their own vehicles, and other in chartered buses. The dinner was supposed to signal the return to glory of Zhang Jian's multi-level marketing company, YSLM, which had previously been described as a pyramid scam offering "get-rich-quick" schemes.

Generic medicines:
Some questions

Sir,

Of late, we are witnessing lot of discussions on generic medicines to be prescribed by doctors. When a drug is prescribed by its generic name, the patient can opt for a cheaper medicine. But do all patients have knowledge of drugs prescribed by the doctor? It's a clear NO. Then the chemist has to suggest a cheaper version of the drug. Now as a layman my questions are:

1. Who is responsible for the treatment? Is it the doctor who prescribes a particular brand / name of the medicine or the chemist who suggests a cheaper version of the medicine based on the generic name ?

2. When a cheaper substitute of a medicine is used, suppose the patient has not recovered, should the patient go back to the doctor or to the chemist ?

3. Reputed pharma companies invest lot of funds for their research and development and they need to recover their investment. Hence their medicines will generally be costly.

4. A pharma company selling cheaper version of the same drug may not even have a R&D facility. Also their investment would be less than that of a standard pharma company.

5. When a patient can afford to pay a sum of Rs. 150 to Rs. 200 as doctor's consultation charges, they may not mind buying good quality of medicines, as per the prescription of the doctor.

6. If the government is targeting poor patients, insist all government hospital medical stores to sell generic medicines only.

7. Purchasing medicines should be the prerogative of the patients and prescribing the same is the prerogative of the doctors. Government cannot insist doctors that they should prescribe only generic names.

A.H. Vishwanath to finally bid goodbye to Congress in a week

K.R. Nagar, June 10 (KTR& BCT)- Senior Congress leader Adagur H. Vishwanath seems to have finally made up his mind to quit Congress party. Weeks after rumours spread regarding his imminent exit, Vishwanath yesterday publicly announced that he is quitting the grand old party after decades of association. And without fail, he mentioned that Chief Minister Siddharamaiah forced him to take this "painful" decision.

He said that he would quit Congress within a week and that he has not decided on which party to join. Vishwanath was speaking at a meeting organised by Vishwanath Abhimanigala Balaga at Sangolli Rayanna Samudaya Bhavana in K.R. Nagar.

"I was overjoyed when Siddharamaiah became the Chief Minister and I had used all my political experience to convince the Congress High Command to accommodate him from the JD(S). Now I am leaving the Congress with a lot of pain inflicted by the same person," the former MP said.

"I am yet to take a decision on joining other party and I will hold discussions with my followers and friends and take a suitable decision at the right time," he said. "I have been with the Congress for more than 40 years. I have helped many get political recognition including Siddharamaiah. Congress is like my mother. I had dreamt of becoming the Chief Minister. But I sacrificed my desire and became instrumental in making Siddharamaiah the CM. Now, I am leaving the party only because of him," Vishwanath said with tears in his eyes.

Former MP Adagur H. Vishwanath is seen addressing the gathering at a meeting organised by the Vishwanath Abhimanigala Balaga at Sangolli Rayanna Samudaya Bhavan in K.R. Nagar yesterday.

"I have been hurt and insulted by Siddharamaiah and the Congress High Command has no powers to set right the confusion within the party and Siddharamaiah is treated as the undisputed leader though many loyal party workers have left for greener pastures," he charged.

"I had spoken to Sonia Gandhi, S.M. Krishna, Dharam Singh, Mallikarjun Kharge and other leaders and convinced them to take in Siddharamaiah into Congress, when he (Siddharamaiah) had identified himself with the Ahinda Movement and had come out of the JD(S).

"Siddharamaiah must remember that during the last Assembly elections he won in Chamundeshwari Constituency due to dissidence activities within the BJP. Siddharamaiah has cleverly used Congress to further his political ambitions," he alleged and added that Siddharamaiah changed after becoming the CM and he has been taken over by the intoxication of power.

"This led to difference of opinion between us and caused a rift. I was unnecessarily dragged into his expensive watch controversy. Siddharamaiah did not even have the courtesy of visiting me in the hospital when I was ill," said Vishwanath.

Alleging that the CM had conspired to finish him politically, the former MP said, "It is not possible to finish me off politically. But, Siddharamaiah is all set to finish off the Congress."

Boy dies of suspected dengue; DHO denies dengue death

Woman dies of suspected dengue in Nanjangud

Dhruvakumar

Gayathri

Mysuru, June 10 - Just hours after District Health Officer (DHO) Dr. B. Basavaraju declared yesterday that Mysuru city has not witnessed a single death due to dengue since 2014, a boy from Gokulam died of severe fever. The boy died at 11.20 pm on Monday (June 5) suffering from severe fever and here too, the DHO denied that it was a dengue death.

The boy has been identified as 10-year-old Dhruvakumar, son of Manju Kumar, a resident of Railway Colony in front of Vontikoppal Sri Lakshmi Venkataramana Swamy Temple on the KRS Road. The boy was studying in 5th standard at Nirmala Convent in Gokulam.

Dhruvakumar contracted fever on June 3. His parents took him to Vijayanagar Nursing Home at Vijayanagar Railway Colony where the doctors told them that the boy had symptoms of dengue. The boy was later shifted to Apollo BGS Hospital.

When a blood test was done at Apollo, there too symptoms of dengue were noticed. According to Bharath Kumar, the boy's relative, doctors at the Vijayanagar Nursing Home and Apollo BGS Hospital had confirmed that the boy had dengue symptoms.

Though doctors tried their best to treat Dhruvakumar, he failed to regain consciousness and breathed his last on Monday (June 5), Bharath Kumar said.

Dhruvakumar was the younger son of Manju Kumar, who is working as a technician in Railway Department. Speaking to *Star of Mysore*, Bharath Kumar said that the DHO must have proper statistics before giving public statements. "There are many cases of viral fever in the area where Dhruvakumar lived. Health officers and MCC officials must ensure that measures are taken to prevent the disease outbreak," he said.

Woman dies in Nanjangud

A 25-year-old woman from Nanjangud died yesterday of suspected dengue. She has been identified as Gayathri, a resident of Srirampura Layout in city.

She was admitted with high fever to Apollo BGS Hospital in Mysuru where she succumbed.

It may be mentioned here that there are several cases of suspected dengue including areas like Neelakantanagar layout. Residents have alleged that the Nanjangud City Municipal Council authorities have not taken any measures to control the outbreak of dengue and other vector-borne diseases in the town.

After raping, he used to threaten his daughter with dire consequences if she disclosed to anyone about the incident.

The accused is also said to have admitted her to Cheluvamba Hospital for delivery, where she gave birth to a baby girl on May 9. His wife deserted him years ago as he was an alcoholic. The couple had a son and a daughter. While the woman took the boy with her, the daughter remained with the father.

The minor girl was living with her father and grandmother who was ailing. The old lady, however, did not notice the brutal rape by the girl's father, almost every day. When the girl became pregnant, the old woman assumed that the bulging stomach was due to overeating.

After learning about the incident, girl's mother lodged a complaint against her husband at Hunsur Rural Police Station.

ASP Harish Pandey said that both the baby and the mother will be sent to Bal Mandir after producing them before the Child Welfare Committee in Mysuru.

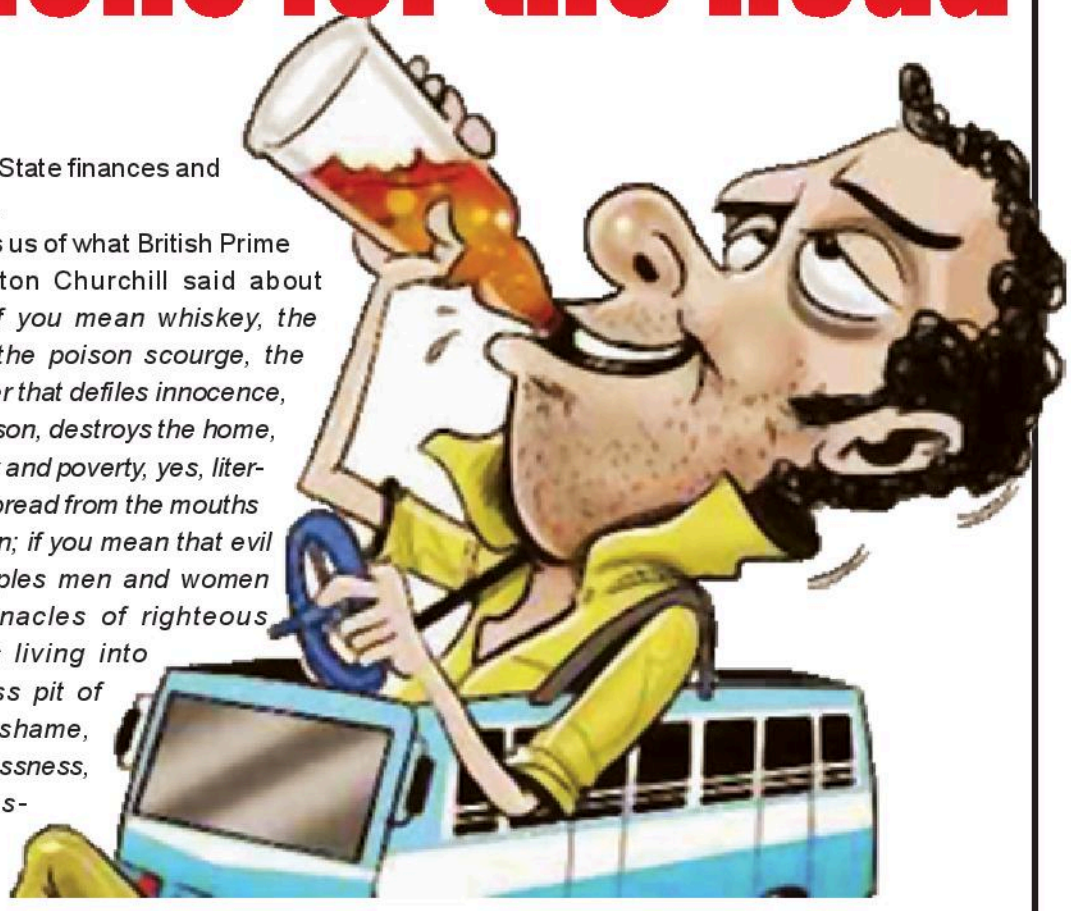
None for the Road



Our legislators were high on Thursday… high on discussing how to circumnavigate Supreme Court's order banning all bars 500 meters from a Highway — 'One for the road' is now 'none for the road.'

But isn't this well-intentioned judicial law-making a breach of the basic constitutional principle of separation of powers between the Legislature, Executive and the Judiciary?

True, the court under Article 142 has the power to pass any order as may be necessary for doing 'complete justice' in the matter before it. But when the rights of so many other interests and stakeholders have been ignored, is it "complete justice"? Also, is it pragmatic?

But our CM Siddharamaiah is very pragmatic as he said, *"I have had liquor but I am not addicted to it. We cannot stop people from drinking. And if we shut shops, thousands of people depending on it will be on the streets."*

Interestingly, just as the discussion was getting serious, there was a spirited teaching session about liquor by BJP legislator Ramachandra Gowda who randomly said, *"Have a beer without fear. But beer and then whiskey is very risky."* Everyone laughed. Who knew even talk of booze could drive away inhibitions.

Soon JD(S) MLA Sarvana told the house how alcohol helps in networking with a catchy line: *"Drinks make links."* Thank God no one said *"Beauty is in the eye of the beer holder."* Surely the next day headlines would read *"High Spirited Sexism in Vidhana Soudha."*

But just when one thought the discussion was going down the drain …the CM got back on track and spoke about how he was going to sidestep the Supreme Court order — denotify stretches of Highways coming under the limits of urban civic bodies in the State. Yes, patches of National Highways and State Highways will become ordinary roads.

But the truth is State Governments have to do this because lots of money is needed for government subsidies. And in Karnataka liquor pours in Rs.16,500 crore a year into our State's exchequer! That's the much-needed money for all the *"Bhagya"* schemes that our CM has doled out. So a liquor ban could spell disaster for politicians, State finances and even the poor.

This reminds us of what British Prime Minster Winston Churchill said about liquor ban: *"If you mean whiskey, the devil's brew, the poison scourge, the bloody monster that defiles innocence, dethrones reason, destroys the home, creates misery and poverty, yes, literally takes the bread from the mouths of little children; if you mean that evil drink that topples men and women from the pinnacles of righteous and gracious living into the bottomless pit of degradation, shame, despair, helplessness, and hopelessness, then, my friend, I am opposed to it with every fibre of my being."*

"However, if by whiskey you mean the oil of conversation, the philosophic wine, the elixir of life, the ale that is consumed when good fellows get together, that puts a song in their hearts and the warm glow of contentment in their eyes; if you mean good cheer, the stimulating sip that puts a little spring in the step of an elderly gentleman on a frosty morning; if you mean that drink that enables man to magnify his joy, and to forget life's great tragedies and heartbreaks and sorrow; ***if you mean that drink the sale of which pours into our treasuries untold millions of dollars each year, that provides tender care for our little crippled children, our blind, our deaf, our dumb, our pitifully aged and infirm, to build the finest highways, hospitals, universities, and community colleges in this nation, then my friend, I am absolutely, unequivocally in favour of it."***

And now, our CM and CMs of other States too see the wealth that liquor brings and it far outweighs the tragedy, it's a harsh reality. But more importantly, this side-stepping strategy of our CM and other CMs, raises a lot of questions.

If you denotify State Highways, then can the local bodies maintain these roads? And even if they can, budget has to be increased? Is there enough money? Then there is the National Highway, if denotified, then the State has to bear the maintenance cost. Do we have enough money and expertise for that?

More importantly by finding a loophole to beat the Supreme Court order, are our governments setting a bad precedent? And by circumnavigating the court order, are the State governments in contempt of court?

Sure, banning bars on Highways won't change much as our CM has said. Ban is never the answer, regulating is. May be, if the Highway patrol did their job and fined, confiscated driver licences and seized trucks, then the drivers and owners would be more careful.

For now, this liquor ban by the SC and the State governments skirting around the ruling do not bode well for a Parliamentary Democracy. It weakens it because one institution has been impractical and overzealous in judicial law-making while the other is making a mockery of a ruling from the nation's highest court. Pillars of Democracy cannot be at war with each other, else the platform of Democracy they uphold will collapse.

CHAMPIONS TROPHY

Bangladesh score 5-wicket win over New Zealand

Cardiff, June 10- Shakib Al Hasan and Mahmudullah both scored hundreds as Bangladesh kept their hopes of a Champions Trophy semi-final alive with a stunning five-wicket win over New Zealand at Cardiff yesterday.

Bangladesh, chasing a modest 266 for victory, had collapsed to 12 for three when left-hander Shakib (114) came in. And they were not much better off when Mahmudullah (102 not out) walked out at 33 for four. But their fifth-wicket partnership of 224, Bangladesh's highest-ever one-day international stand, transformed the match.

Shakib fell just before the finish but when Mosaddek Hossain, who earlier justified his recall with three wicket haul, edged Adam Milne for a four and the Tigers finished on 268 for five and won 16 balls to spare.

This defeat ended New Zealand's hopes of reaching the last four. It was also another memorable Bangladesh triumph in Cardiff following their shock 2005 ODI win over Australia on this ground. But despite this sensational success they still need already-qualified England to beat Australia at Edgbaston today or hope that the match ends, as both Australia's previous Group A fixtures have done, in a no result if they are to reach the semi-finals.

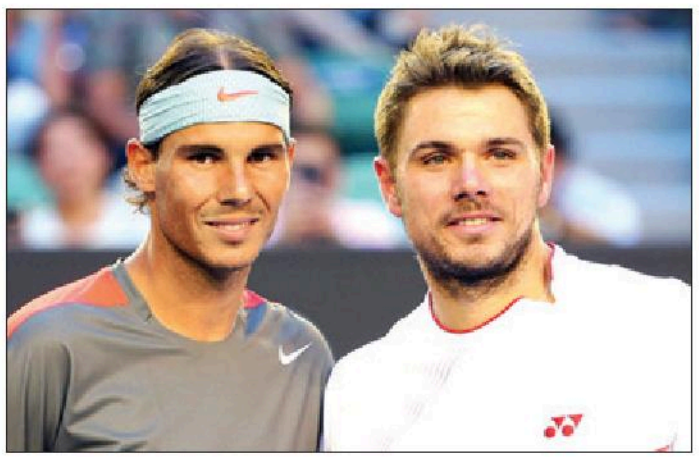
FRENCH OPEN 2017

Nadal, Wawrinka to meet in final clash



Paris, June 10- Nine-time champion Rafael Nadal powered into a record 10th French Open final yesterday and will face 2015 winner Stan Wawrinka for the title after the Swiss defeated number one seed Andy Murray in a five-set epic.

Nadal demolished Austrian pretender and sixth seed Dominic Thiem 6-3, 6-4, 6-0 to return to the final at Roland Garros for the first time since the last of his nine titles in 2014. Wawrinka became the oldest finalist in Paris in 44 years with a thrilling 6-7 (6/8), 6-3, 5-7, 7-6 (7/3), 6-1 win over world number one Murray.

Nadal is bidding to become the first man to win 10 titles at a single Grand Slam and leads the head-to-head with Wawrinka 15-3. However, he will be mindful of another upset after the Swiss stunned an injury-hit Nadal three years ago to claim the Australian Open crown.

Nadal withstood a shaky start before reeling off four games in succession to subdue Thiem, who was looking to be just the second Austrian finalist at a Slam after 1995 French Open winner Thomas Muster. Thiem is the only player to defeat Nadal on clay this season, but the fourth seed barely gave his rival a sniff and conceded just nine points in a chastening final set.

US Open champion Wawrinka, 32, triumphed in a pulsating four hour 34 minute battle of shotmaking and endurance and will target a fourth Slam title this weekend.

For Murray, his wait to become Britain's first men's champion in Paris since Fred Perry in 1935 goes on.

His win avenged defeat to Murray at the same stage in 2016 and the Swiss suggested the Briton was nowhere near that form on Friday. But Wawrinka is in no doubt as to the nature of the obstacle that stands in his way of a second Roland Garros triumph.

Murray, the 2016 runner-up to Novak Djokovic, admitted that Wawrinka was the stronger player in the end. For Thiem, it was a disappointing end to a tournament which had seen him defeat Djokovic in the quarter-finals.

68th Junior National Basketball Championship

Karnataka girls enter semi-finals

Noida, June 10- Defending champion Karnataka knocked out Punjab from the tournament in their quarterfinal clash in the girls section to enter the semi-finals of the 68th Junior National Basketball Championships at Noida yesterday.

Both teams remained within single digits for the first three quarters. But Karnataka switched to a higher gear in the fourth, led by Rajvi Jain who put up 16 points. They outscored Punjab 16 to 6 in the final period to clinch a 61-49 win and a place in the semifinals tomorrow.

Uttar Pradesh girls, buoyed by home support, came out firing against Rajasthan. Led by star performer, Vaishnavi Yadav's 33 points, UP had a strong first quarter, outscoring Rajasthan 22 to 12. Despite a rocky middle period, UP managed to get back on track in the fourth to pull away for a 86-66 win. They will now have their quarterfinal game today evening against Chhattisgarh.

The UP boys, however, fell to Haryana 84-60. Haryana got off to a slow start, but dominated the rest of the three quarters. Rinku poured in 40 points for Haryana, facilitating the blowout win. Haryana will now face the Kerala boys in the quarters later today evening. In other pre-quarterfinal games, MP girls won an overtime thriller against Gujarat (79-70), dominating the overtime period 11 to 2. MP have now set up a quarterfinal clash against the undefeated Tamil Nadu girls.

The Delhi boys also made it to the quarters, beating MP boys 82-73.

Later in the morning, the quarterfinal games began with the Kerala girls knocking out Maharashtra with a 86-71 win. Kerala's Sreekala, who is an up-and-coming star, scorched Maharashtra for 42 points, single-handedly carrying her team's offense. It was cruise control for Kerala after the first quarter, leading the rest of the way and cementing a spot in the semi-finals tomorrow.

Defending champions Tamil Nadu boys also booked a semi-final berth with 83-66 win over Maharashtra.

Kumble to continue as Team India Head Coach

London, June 10- The Cricket Advisory Committee (CAC) of the Board of Control for Cricket in India (BCCI), comprising Sachin Tendulkar, Sourav Ganguly and VVS Laxman, has decided to retain **Anil Kumble** *(in pic.)* as Team India's head coach.

According to sources, the committee, which met on Thursday, was not keen to replace Anil Kumble. As for the Board of Control for Cricket in India (BCCI) officials, they too largely are against setting a precedent where the Indian captain virtually decides on who will be the coach of the side. It is understood that only one BCCI official, who is believed to be close to former president N. Srinivasan and is a staunch Kumble critic, is against him continuing.

But most other senior BCCI members, including acting BCCI President C.K. Khanna and IPL chairman Rajeev Shukla, against the hasty removal of Kumble, the chances of the spin legend getting an extension has increased manifold.

The press release by acting BCCI Secretary Amitabh Chaudhary said that the Cricket Advisory Committee (CAC) of the BCCI met today and discussed the process with regard to the selection of the Head coach of the Senior India Men team and it was decided by the CAC to revert to the BCCI, at an appropriate time.

The news of skipper Virat Kohli's alleged difference with Kumble has been making rounds for some time now. The BCCI invited applications for coach's post and even a section of officials, who are anti-Kumble convinced Virender Sehwag to apply for the post.

(Continued from page 1)

Randeep said that in 2014 at Perumbudur in Tamil Nadu Vidyashala School broke a Guinness record by performing Chain Link Yoga where 3,000 students participated. "We will try and beat Lucknow by gathering over 60,000 people and we are sure of breaking the Chain Link Yoga Record," he said and added that the District Administration wants to bring International fame to Mysuru city as the "World's Yoga Capital".

Brijesh accuses Centre for altering GDP figures

Brijesh Kalappa

Mysuru, June 10 (PM&DM)- Denouncing the demonetisation policy of the Union Government, AICC spokesperson and Supreme Court advocate Brijesh Kalappa said the country was facing the worst economic crisis with trade and commerce witnessing a sharp decline.

Addressing mediapersons at Jaladarshini Guest House, here this morning, Kalappa alleged that Narendra Modi led NDA Government had altered the GDP calculation method only to project inflated figures.

Claiming that the country's GDP was 10.9 per cent when Prime Minister Dr. Manmohan Singh left office in 2014, he said that the GDP has come down to 6.1 per cent, which is of grave concern.

Lashing out at Modi for failure to create two crore jobs as promised during the run up to the 2014 Lok Sabha polls, Brijesh said the Telecom and IT sectors were the worst hit post-demonetisation, with lakhs of employees losing their jobs.

Ridiculing BJP State President B.S. Yeddyurappa's visit to Dalit homes, he said that the BJP leaders have developed a new found love for the Dalits, who were ignored by the BJP when it was in power.

Coming down heavily on the Madhya Pradesh Police firing on agitating farmers, that claimed the life of seven farmers, he alleged that the farmers were brutally done to death.

Asserting that farmers' suicide was increasing by the day under Modi's rule, he said that Modi's mantra would not help the BJP win future elections.

Continuing his attack on the Prime Minister, Brijesh said Modi had not bothered to intervene for resolving the burning Cauvery and Mahadayi river sharing rows.

Brijesh wondered why the Centre had given premium for Additional Solicitor General Athmanand Nadkari to plead on behalf of Goa in Mahadayi Water row.

Ridiculing BJP's 'Mission-150', he said that post Nanjangud and Gundlupet bypolls, this mission had turned out to be 'mission-50', as the BJP had no chance of coming to power. City Congress President R. Murthy, District President Dr. B.J. Vijaykumar, leaders Basavaraja Naik and Deepak Raj were present.

City may start to stink as

Pourakarmikas plan stir from June 12

Mysuru, June 10- Garbage from your house and your surrounding areas may not be cleared as over 40,000 contracted civic workers (Pourakarmikas) from all over the State are planning to go on an indefinite strike from June 12 demanding regularisation of their services.

The proposed strike is likely to affect 12 city corporations including Mysuru and 260 city and municipalities. In Mysuru, there are over 1,648 contract Pourakarmikas and of them 230 work exclusively in underground drainages.

Safai Karmachari Hitharakshana Samiti President M.V. Venkatesh alleged Chief Minister Siddharamaiah has not addressed the problems of Pourakarmikas as promised by him. Accusing the Chief Minister of using Pourakarmikas merely as vote banks, Venkatesh reiterated that Pourakarmikas will not budge from their proposed protest from June 12.

"The CM has been holding huge rallies to showcase the welfare programmes launched by his government in the last four years and has even claimed to have fulfilled 155 out 165 promises made in the Congress election manifesto. But the long-pending demands of Pourakarmikas have not yet been fulfilled," he said.

According to Mysuru City Corporation (MCC) authorities, apart from contract Pourakarmikas, there are over 574 permanent Pourakarmikas. "We don't expect the strike to paralyse the garbage clearing system as we can manage with permanent Pourakarmikas," MCC Senior Health Officer Dr. Ramachandra told Star of Mysore.

The MCC pays a monthly salary of Rs. 16,618 for contract Pourakarmikas and provides them free treatment (reimbursement facility) in all multi-speciality hospitals under the 24.10 point programme. If the health condition of the contract Pourakarmika is serious, an advance of Rs. 1 lakh will be paid and free laptops and books are provided to their children who are pursuing technical and LLB courses, Dr. Ramachandra said.

Former UoM Registrar

Prof. Rajanna goes to Court

Prof. Rajanna

Mysuru, June 10 (NNN)- Former Registrar of University of Mysore (UoM) Prof. R. Rajanna, has gone in appeal to the High Court for a stay order. He has questioned both on the matter related to the naming of a two-member committee to look into the alleged, illegal appointments for the temporary non-teaching posts and the appointment of KAS Officer D. Bharati as the Registrar, replacing him.

He has stated in the petition that the appointment of Bharati as the Registrar should be cancelled as it is against the norms. He has named the State Government and the UoM as the defendants. This petition has been filed in the High Court Hall 22 before Judge J. Narendra.

The Judge postponed the hearing to June 13, as the other issue (regarding Bharati's appointment) seeking stay order also came up on Friday (June 9).

According to sources, based on just a letter written by Acting VC Prof. Dayananda Mane, regarding the alleged illegal appointments of 96 people to the temporary posts in the UoM, the Governor has set up a two-member committee. It may be recalled that the two-member committee comprising Prof. Maruti Rao Nimbalkar, Syndicate Member of Rani Chennamma University and Prof. Kanubhai Govind Manavi, the former VC from Gujarat visited the UoM recently to look into the matter.

Many Professors in the University feel that the State Government was in haste appointing a KAS Officer for the post of Registrar thus violating the Rules of the University, which clearly states that only a person with more than five years experience as Professor can be appointed as the Registrar.

It can be changed only after the amendment is made in the Cabinet that a bureaucrat must be appointed as the Registrar. Until such time, the Government cannot appoint an outsider to the post, argue the Professors.

Yeddy to tour Mysuru, Ch'nagar

Mysuru, June 10 (RKB&DM)- With an objective of highlighting the failure of the State Congress Government, State BJP President and former CM B.S. Yeddyurappa will undertake *'Janasamparka Abhiyana'* campaign in the district tomorrow (June 11).

Announcing this at a press meet here yesterday, District BJP President Kote M. Shivanna said Yeddyurappa will begin his campaign by garlanding Dr. B.R. Ambedkar's statue at FTS Circle on Mysuru-Bengaluru Road at 9 am. Yeddyurappa will later have breakfast at Dalit leader Narasimhamurthy's residence at Kurimandi Kesare at 9.30 am. He will later interact with Dalits at Kurimandi Maidan, following which he will visit Pinjarapole at the foot of Chamundi Hill at 11 am, from where he will go to Shettanayakanahalli in Yelwal Hobli and interact with farmers at 12 noon. Yeddyurappa will thereafter have lunch at the residence of local leader Chidambara at Yelwal, after which he will leave for Hunsur, where he will address a public rally at 3 pm. Former Minister Aravind Limbavali, MPs Pratap Simha and Shobha Karandlaje will accompany Yeddyurappa.After the rally, Yeddyurappa will return to the city and take part in the BJP workers meet at J.K. Grounds.

Chamarajanagar tour: Yeddyurappa, who will also tour Chamarajanagar district, will arrive in the town at 8.30 am on June 12 and launch his district tour by planting a sapling in front of Government Polytechnic, said Chamarajanagar District BJP President and former MLC Prof. K.R. Mallikarjunappa. Yeddyurappa will continue touring the State till June 28.

UMAA: Select Mysore Varsity VC on time

Mysuru, June 10- The University of Mysore Alumni Association (UMAA) has appealed to the Governor, Chief Minister and Higher Education Minister to select the Vice-Chancellor (VC) in a time-bound manner without finding reasons.

In a press release, the President of UMAA, K. Arkesh has said that from the time Prof. K.S. Rangappa demitted office on Jan. 10, 2017, the Vice-Chancellor 's post is lying vacant. "The ad hoc arrangements made to hold temporary charge of the Vice-Chancellor by senior Professors has given rise to avoidable conflicts and maladministration. The students and the faculty are put to insurmountable problem with none to address them," he said.

The Alumni Association is greatly concerned with the selection process, the falling moral and academic standards and the lobbying for the post of VC based on caste, creed, religion and political affiliations, said Arkesh.

UMAA also recommends that the willingness of the nominated members of the selection committee be obtained well in advance. The committee should be convened at least three months earlier to select the new Vice-Chancellor. The VC's name should be announced at least a month before the present incumbent demits his office, said Arkesh.

Retired Tahsildar's house sold creating false documents

Police question Corporator Devaraj

Mysuru, June 10 (SBD&NNN)- A house belonging to a retired Tahsildar was sold by creating false documents and a fake owner.

Highly placed sources told *Star of Mysore* that the Police have questioned Corporator P. Devaraj with regard to the house in Rajivnagar that belonged to retired Tahsildar Rajaratnam, a resident of Vijayanagar in Mysuru.

Cheating incident: A MIG House in a site measuring 30X40 built by MUDA in Rajivnagar was allotted to Rajaratnam in 1980. As the Tashildar was in a transferable job, he had rented out his house. However, miscreants used to create problems to the tenants by throwing stones forcing them to vacate the house.

Because of this deliberate attempt by the miscreants to keep away the tenants, the house was lying vacant for a long time. After retiring from service, Rajaratnam settled down in Mysuru. He was in for a shock when he went to pay house tax to his Rajivnagar residence in March. It came to light that his house had been sold to one Sardar Sharief. Totally upset, he went to the Sub Registrar's office (East) and enquired. To his dismay, Rajaratnam found that his house had been sold, impersonating him.

He collected all the documents related to his house and filed a complaint in Udayagiri Police Station in April last. In a written complaint, he stated that the house belonging to him was sold to Sardar Sharief of Rajivnagar for Rs 22.50 lakh creating fake documents. The Police registered the complaint and started investigation. They stumbled upon an important piece of information while interrogating Sharief. It has come to light that three persons Inayat, Pehalwan and Corporator Devaraj are involved in the fraud.

In the light of this, Devaraj was subjected to questioning while two others are absconding. It is to gain profit that the three persons had cheated by creating false documents, a fake owner and selling the house by convincing that it is genuine. A few more documents are required to be collected. It is also important to find out who impersonated Rajaratnam the owner and sold the property. Who are the other accused in the crime also needs to be found out, said the Police.
